Badges and Certificates

We've got some great news, following a review of our badge scheme it has been decided that badges & certificates will now be **FREE OF CHARGE** for all members.

Every time your child passes their badge they'll be given the badges and certificates at the end of the lesson 😊

Keeping your details updated

Please could you all ensure that your home address and phone numbers are kept up to date via your online login for the club.

On a few occasions over the last two weeks we have tried to contact gymnasts next of kin to come and collect them however the phone number hasn't been updated and we only have an out of date number on the system.

Important Club Information

Just a quick note to say that from now onwards all gymnasts in Trampoline, Tumble, Gymnastics and DMT will be registered with and compete under Leeds Rebound Gymnastics Club, rather than City of Leeds Trampolining Club (for the Trampoline and DMT sections of the club).

This change has been made so that every discipline may compete under the same name, for marketing purposes and to avoid confusion whilst obtaining BG memberships.

Any BG memberships registered under City of Leeds Trampolining Club have now been moved over to Leeds Rebound Gymnastics Club.

For any members that have not yet activated their BG memberships please do so at the following link and selected "Leeds Rebound Gymnastics Club" as the primary club for members that have previous held BG membership the link
